If business is to be conducted on other than a yearly basis please provide:

Date you wish to begin conducting business: _____

Date you will cease business: _____

I state that I am the applicant and hereby declare all above statements to be true and correct. I realize any false statements may result in denial or revocation of license.

I understand that approval of this application for a license may be denied if I am delinquent in payment of any taxes or fees owed by myself or by my business (City Code 13-18). I further understand that any future delinquencies of taxes or other fees, either by the owner of the business, may result in the denial of this application or revocation of the license (City Code 13-19).

I understand that the license shall not be assigned or transferred. I understand that the licensed business is to be operated only on licensed premises (City Code 13-12) and it is my duty to post this license in a prominent place on the premises for such business at all times (City Code 13-15). It is my responsibility to notify the City Clerk if I wish to change locations or if the ownership of the business will change during the term of the license.

I understand that my business location must be in compliance with the City of Lexington Zoning Ordinance (Chapter 29) and that the approval of this application depends upon the verification of my compliance with this zoning ordinance.

I understand that any commercial building to be used for the first time must be inspected prior to issuance of the license by the Building Official and the Fire Inspector (City Code 13-10). I understand that if a commercial building has set vacant or the business has ceased an inspection by the Building Official and Fire Inspector are required.

Fire Inspections & Plan Review Fee

Fees for fire inspection permits and owner requested fire inspections shall be charged by the appropriate officials in accordance with the table below. Fees shall be paid in full prior to any inspection or building plan review. The determination of value of valuation under any of the provisions of this Code shall be made by the Planning and Zoning Administrator in accordance with the building permit fees schedule.

Table 9-1.A. Fire Permit Fee Schedule

Total Valuation	Fee
\$0 to \$25,000.00	\$50.00
\$25,001.00 to \$50,000.00	\$75.00
\$50,001.00 to \$100,000.00	\$75.00 for first \$50,000.00 plus \$3.50 for each additional \$1,000.00 or fraction thereof, to and including \$100,000.00
\$100,000.00 and up	\$250 for first \$100,000 plus \$1 for each additional \$1,000 or fraction thereof.

Table 9-1.B. Additional Fees, for Inspections and Other Services

Service	Fee
1. Inspection outside of normal City business hours (minimum charge of one hour; additional charges in 1/2 hour increments)	\$30.00 per hour
2. Residential upgrade: plumbing, electrical, mechanical; other inspections for which no fee is specifically indicated (minimum charge of one hour; additional charges in 1/2 hour increments)	\$20.00 per hour
3. Additional plan review required by changes, additions or revisions to approved plans (minimum charge of 1/2 hour)	\$20.00 per hour

A plan review fee shall be paid at the time of submitting plans and specifications for review. The plan review fees specified in this Subsection are separate fees from the permit fees and are in addition to the permit fees shown in Table 9.1 A.

Where plans are incomplete or changed so as to require additional plan review, an additional plan review fee shall be charged at a rate shown in Table 9.1B.

Adoption of these Fire Protection and Prevention Codes will initiate a public service program by the Fire Department for a period of twelve (12) months, to assist owners of existing structures in determining compliance requirements. The first compliance visit will be at no charge to the property owner; additional visits requested by the property owner will be charged at the additional plan review rate in Table 9.1B.
